## **ADVITIYA 2023**

# **BugBusters (Mock CID) Rules**

- A team should comprise exactly three participants.
- The competition is divided into three rounds.
- Each round operates on a knockout basis.
- All rounds are interconnected.
- The initial round, named Codebreaker Clash, will present a basic code to debug and answer. Teams that solve this correctly will advance to the subsequent round, Riddle Resolvers Round.
- The second round, Riddle Resolvers Round, will include technical-based riddles and games.
- Teams finishing the tasks in the second round in the shortest time will progress to the final round, Solve the Mystery.
- In the final round, finalists will have to search for the hidden snippets.
- Successfully debugging and organizing all the snippets will lead to solving the mystery.
- Time limits for each round will be announced before their commencement.
- The decision of the judges and the event heads shall be treated as final.
