ADVITIYA 2023

HackOverFlow Rules

1. It is a 24-Hour coding Hackathon on 10th and 11th December.

    (Start:2:00pm, End: Next day 2:00pm)

2. Participants should come in groups of 1 - 4.

    (minimum 1 and maximum 4)

3. Domain for the hackathon :

    i.   AI/ML

    ii. Salesforce

    iii. Full-Stack

        Problem statements will be emailed to your registered addresses by Nov 20th.

        (Participants should strictly choose one among the given problem statements)

4. Participants will be assigned an exclusive task, designed to test their problem-solving and creativity skills. They will have precisely 24 hours to complete the task from the moment it is assigned. The task will be revealed on the day of the event.

5. Participants should get their personal laptops. If required, labs will be arranged as well.

6. The final Code submission platform will be specified by us. All participants should push their code accordingly.

The decision of the judges and the event heads shall be treated as final.

Further details will be communicated to your registered email ids
